Re.: EU Directive 97/534/EC
EU Regulation 722/2012

To whom it may concern,

All RobbJack Corporation products are manufactured wholly from solid carbide materials and do not contain any raw materials produced from, or substances derived of animal origin. Moreover these products are not derived from specific-risk materials as defined in either of the above regulations.

The manufacturing process does not use any ingredient of animal origin nor do our products come in contact with animal products during storage and transportation.

We further declare that our products are Dioxin Free.

All products produced by RobbJack Corporation are free from Transmissible Spongiform Encephalopathy (**TSE**) and Bovine Spongiform Encephalopathy (**BSE**).

A handwritten signature in black ink, appearing to read 'DABL', is positioned above the typed name of the signatory.
